WHAT IS WICYPAA?

WICYPAA is a conference of AA that meets annually in Wisconsin geared toward carrying the message to the still suffering alcoholic and furthering the principles of AA. WICYPAA is especially committed to providing a forum which encourages young people to participate in AA through service work, fellowship, and meetings. Members of WICYPAA are involved in all levels of AA service. Young newcomers are shown by people their own age that using AA principles in their daily lives, and getting involved in the AA service structure can lead to a lasting sobriety.

WHAT HAPPENS AT THE CONFERENCE?

The conference consists of several closed and open AA meetings, alkathons, panels, speaker meetings, and occasionally an impromptu meeting. It is a chance to meet sober people from throughout the state of Wisconsin.

ARE THERE ANY AGE RESTRICTIONS?

No. Everyone is welcome. In the past, we've had people in their teens and people in their seventies involved in the conference
