Green Bay will host our States 12th Annual WICYPAA

This three-day conference provides an opportunity for young AA's from all over our state to come together and share their experience, strength, and hope in Alcoholics Anonymous. WICYPAA is visible evidence that large numbers of young people are achieving a lasting and comfortable sobriety in Alcoholics Anonymous and are better prepared to receive young people who come to AA.

What Is WICYPAA?

The Wisconsin Conference of Young People in Alcoholics Anonymous meets annually. Every one is welcome. We define "Young People" as anyone with room to grow. There are no age restrictions. In the past we have had people in their teens and in their seventies involved. The conference provides an opportunity for AA members from all over Wisconsin and the rest of the world to come together to share their experiences, strength, and hope. Like any other conference, it is an opportunity to learn more about the program and sobriety.

A loss of interest in judging self.

Service With A Smile

It took several years to learn that **true happiness comes out of serving**. Focusing on what I can contribute rather than what I want is the quickest way to improve my attitude. It also dissolves fear.

By the Grace of God I met my Sponsor upon release from a halfway house. At that time I rarely spoke at meetings and was fearful of people. What helped my growth immensely was my Sponsor and getting involved with service work right away. . . . Through these experiences I learned how spiritual the fellowship is, I learned the history of AA, I learned how to have fun, **and I stayed sober**.

All of the service positions I held began with fear and confusion. There were many people willing to show me the way. I had to be taught how to make coffee and how to be a DCM. Humility is a good thing.

As long as I keep contributing to AA I believe I will stay sober and happy.

Thank you for letting me serve.

Service is a part of me.

Conscious contact . .

. . . tune in to HP daily.

. . . just as I consciously lay off alcohol for 24 hrs.

It's a choice tune in or take a drink.

Think of it:

a drink or a prayer . . . my choice . . . daily.

My favorite prayer is, . . . thank you . .

We were reborn

Established on such a footing we became less and less interested in ourselves, our little plans and designs. More and more we became interested in seeing what we could contribute to life. As we felt new power flow in, as we enjoyed peace of mind, as we discovered we could face life successfully, as we became conscious of His presence, we began to lose our fear of today, tomorrow or the hereafter. We were reborn.
