# WICYPAA XI

"From experience, I've realized that I cannot go back and make a brand-new start. But through A.A., I can start from now & make a brand-new end."

# What is WICYPAA?

The Wisconsin Conference of Young People in Alcoholics Anonymous meets annually. Everyone is welcome. We define "Young People" as anyone with room to grow. There are no age restrictions. In the past we have had people in their teens and in their seventies involved. The conference provides an opportunity for AA members from all over Wisconsin and the rest of the world to come together to share their experience, strength and hope. Like any other conference, it is an opportunity to learn more about the program and sobriety. The conference consists of several closed and open AA meetings, alkathons, panels, speaker meetings, and events.
